

I'm me!

Knowledge Organiser

Overview

This term, Year 1's topic will be all about me! We will begin to understand that we are all different, and learn about our own strengths, our family, and what makes us unique.

We will use our geography skills to learn about the country and city that we live in, and we will use our design and technology skills to design, make and evaluate a 'me' puppet!

Key Vocabulary

Different - not the same

Similarities - things that are the same as others

Unique - one of a kind, unlike anybody else

Strengths - things that we are good at

Interests - things that we like doing

Family tree - A family tree is a type of diagram that shows generations of families and how they are linked throughout the years
